Re.: Relocation from BA to DC metro or BW area

Mae,

Please transcribe these notes for my wife. Translate into Spanish and fwd. w/note saying: Eulogy, I was able to take care of most of the items on our list pertaining to our relocation. Love, Pepe

Please include a SASE.

Chron., April 1, 1998

Left Mexico City @ 8:30 am. Bad weather over the Rio Grande, had to make an emergency landing in D/FW under pouring rain. Left TX @ 10:00 am. on AA. Bad weather again. Couldn't make it to IAD. Arrived in BWI. Temp. in DC = 89/68 - c, w/pos. sh in AM - ts in PM - RH: 98%. The weather in Balt.= 91/63 - pc, w, dr in AM - s in PM - RH: 90%.

Chk'd in @ Cherry Blossoms B&B. Rm. 222. Pooped. Tuned to VOA, EC won't budge. CNN reports the FRS lowered the discount rate.

Too late for Bkfst. Went to IHOP. BLT, OJ and decaf. \$10.99 (HF diet per HEMA norms).

Thought I had found a bank next to the B&B to deposit our monies. Changed my mind, their accounts are not insured by the FDIC. Opened one at First USA. They have ATMs all over and I can make an EFT at any time.

Mngr. called. Big party last night in Balt. He had to be taken to the ER at JHMC. He had feared an MI. MD not available so RN Rx'd an EKG, EEG, MRI and CT Scan stat. Dx: too much booze. Glad he had a DD, otherwise it would have been a DWI or DOA. The way I see it: he is AWOL and left me hanging. Anyhow, out of sight, out of mind.

Late PM on the Hill - Meeting w/D reps from AK; brf'd. on Prop 69 w/delegates of Dist. 5. FYI: The delegate from PA spoke on the PA system about the PA released by the PA to the PA of WB. John D. Krook, PA, denied any allegations about having a P/A in Geneva. Next meeting TBA.

Supper with Mario at a greasy spoon restaurant near The Mall. The service was good but the food was run-of-the-mill or worse. What a character! He's already spent all he won in Vegas. Easy comes, easy goes. He is now living with that floozy. Let's call a spade a spade... Birds of a feather... Poor Mario, I think he has bats in his belfry! He does nothing but lie through his teeth. Right in the middle of dinner, he got up like a bolt out of the blue and left.

Talked to his father. He is doing well. After two yrs. of chemo, he has licked the "Big C." I will go visit him ASAP. He is such a nice man, an ambulance chaser, but a good man. He told me that if you decide to start Law School, you will have to take the LSAT. Not EZ.

Mamertito's sch.: must take ERB tests to be accepted to IB program. Unable to get in touch with BSA. Tiffany must take the SB to enter MS. Both have to satisfy PE requirements.

Tried to call BA, ASB. AT&T wouldn't accept my MCI card. Wrong PIN. Tried CIS and AOL. Another SNAFU.

Turned in at 11:55 pm. Tom. I'll concentrate on houses and cars.

Re RE: Mtg. w/MLS rep. Mkt. is down. Saw some apts., houses & condos in DC and VA. Found one on Beachway Dr. Just a hop, a skip and a jump from my future offices. 5BR, 4 1/2 B, 3 + qts. AC & fp in lg. ground fl. Lvng. & Mstr. dn. W/D incl. + CTV conn. Must see. Lovely tr-top view. Owner fin. avail. Needs TLC, you'll it. We'll apply for FNMA, GNMA, FHA or FHLMC mtge. loan. Probably a VRM or ARM, depends.

Cars: chk this ad. Lexus, 4dr. 5spd, FWD, 50k, exc immac cond&maint rec., f.equip., all pwr. snrf&seats. AC. Am/fm. Cass, CD, ph. W/ blk/burg lthr intr. Ext. wrnty. Book 1 -\$5900 h-\$7300. Asking \$5600. Will nego, obo. Just married, must sell.

Eulogy, look what I found in The Washington Post. What do you make of it? PersonalsPlus - Your relationship begins with an ad in PersonalsPlus.

SWF, 49, 5'9", N/S, slim, athletic, ISO Franciscan or atheist Republican Guy (MD).

PLEASANTLY PLUMP, not full-figured SBF, 26-32, sought by handsome SBPM, 37, 5'7" (VA).

TGIF, I'll have to rent a tux for tonite's party at the Chilean Embassy.

What a shindig last night. Everybody and their aunt were there. ...and their baubles... Makes you wonder who was minding the store. The President and Hillary, Al and Tipper, The Speaker, etc. I had a very interesting conversation with the President of the SBA and with the Secretary of the DOD. Met people from the FTC, EPA, FBI, FDA, FCC, PBS, USMC, USDA, USAF, UPI, DOT, DPW, NSA and FEMA. Interesting guy, after the California El Niño related disasters he looks rather tired.

Yesterday I went to my old neighborhood. The subdivision has changed. You wouldn't like to be caught dead or alive in a place like that. Sooner or later it had to happen.

Better let you go. It's back to the salt mines. Love you,  
XXXXOOO  
Pepe
